** Feedback from parents and juniors

The Junior Golf League will feature 12 teams, with 12 or more players on each team. Each team will consist of players from each hole division listed above. For example, Tiger's Titans may be composed like this, depending on the total number of players in each division:

- (3) 9-Holers(orange tees)
- (2) 9-Holers(red tees)

Each week, juniors will be playing with participants from other teams in their same division.

The format for weekly team play will be much like high school team golf. It will be based on stroke play and each team will be allowed to throw out the highest score in each of their hole divisions. Team standings will be kept throughout the summer. The top teams will win awards at the end of the year, along with numerous other awards. The league will stress fun,

camaraderie, sportsmanship, respect for the golf course and playing partners, and friendly competition.
